

# HARD WORK THE FOUNDATION OF CHARACTER

Dr. S. M. Davis

I Thessalonians chapter 4:10-11, *We beseech you brethren . . . that ye study to be quiet, and to do your own business, and to work with your own \_\_\_\_\_.*

II Thessalonians 3:10, *For even when we were with you, this we commanded you, that if any would not work, neither should he \_\_\_\_\_.*

The one word that described what really contributed to children becoming a success in life was \_\_\_\_\_.

The foundational character quality of all character qualities is \_\_\_\_\_ . The foundation for character itself is \_\_\_\_\_.

## **1) Hard \_\_\_\_\_ is the foundation of good character.**

The first occurrence of the word work in the Bible was in relation to \_\_\_\_\_ Himself.

\_\_\_\_\_ out of seven days (eighty-four per cent of life) was supposed to be work. Work is \_\_\_\_\_, because God was the original worker. \_\_\_\_\_ is ungodly.

As soon as God made man, He gave him \_\_\_\_\_ to do.

You can waste your life by working hard serving the wrong  
\_\_\_\_\_.

A man who is not a hard worker is not ready to get  
\_\_\_\_\_.

Some people \_\_\_\_\_ too much because they dont work  
enough.

A \_\_\_\_\_ hand is a hand that is not diligent.

Jewish Rabbis taught, He who does not teach his son a trade  
teaches him to be a \_\_\_\_\_.

When a child is disciplined to win the struggle against his  
\_\_\_\_\_ flesh he is much better equipped to win the coming  
struggle against good and evil.

\_\_\_\_\_ is usually produced by those who are not  
producing anything else.

Young people need to be kept \_\_\_\_\_.

A child should be learning to work about age \_\_\_\_\_.

Proverbs 28:19 gives a direct connection between laziness and  
running with the \_\_\_\_\_ crowd.

Every child is \_\_\_\_\_ til somebody teaches him how to work.

The \_\_\_\_\_ child capable of doing a job is the one that needs to do it.

**2 - Work produces \_\_\_\_\_ and open \_\_\_\_\_.**

Booker T. Washington was admitted to Hampton University because he did a good job \_\_\_\_\_ a room.

How to Find a Job

1) Make sure \_\_\_\_\_ are the kind of person you would want to hire if you were hiring somebody.

2) \_\_\_\_\_ like youre going to church.

3) Be \_\_\_\_\_.

4) Look the person whos interviewing you in the \_\_\_\_\_.

5) \_\_\_\_\_ before you go.

6) Work as hard at \_\_\_\_\_ a job as you do after you get the job.

7) Be more concerned about what you have to \_\_\_\_\_ your employer than what youre going to get.

8) Do \_\_\_\_\_ than youre asked to do.

9) Be responsible and \_\_\_\_\_.

10) Dont be afraid of \_\_\_\_\_.

11) Dont just look for the \_\_\_\_\_ work.

12) Never think youre too \_\_\_\_\_ for a certain job.

13) Conduct yourself as a \_\_\_\_\_.

14) \_\_\_\_\_ with it.

Any \_\_\_\_\_ work is good work.

**Number 3) Work produces \_\_\_\_\_.**

Proverbs 13:11, *Wealth gotten by vanity* [such as \_\_\_\_\_]

*shall be diminished, but he that gathereth by labor shall increase.*

Never \_\_\_\_\_ from work.

Never make a decision based on \_\_\_\_\_.

**4) Work provides \_\_\_\_\_ for your life.**

**5) There is a \_\_\_\_\_ of what can be accomplished in your life through work.**

**Good works cannot \_\_\_\_\_ you from your sin.**
