

# “What to Expect From a Twelve Year Old” Worksheet

Message by Dr. S.M. Davis

## Raising children is difficult because:

1. Children are \_\_\_\_\_.
2. Consistency is \_\_\_\_\_.
3. You're not sure what to \_\_\_\_\_ when.

The number \_\_\_\_\_ has great significance in the Bible. It occurs \_\_\_\_\_ times.

It is possible to see 7 key \_\_\_\_\_ in Jesus by age 12.

## Expect children to:

1. Have a mature sense of \_\_\_\_\_, purpose and \_\_\_\_\_.

The 12 year old Jesus had to take care of Himself for \_\_\_\_\_ days.

\_\_\_\_\_ became king at age 7.

\_\_\_\_\_ became king at age 8.

General \_\_\_\_\_ became a schoolteacher at age 16.

2. Have a keen sense of \_\_\_\_\_, especially in relation to the \_\_\_\_\_ he keeps.

“Who you run with determines \_\_\_\_\_ you go in life.”

3. Have a burning hunger to understand \_\_\_\_\_ and \_\_\_\_\_.

4. Be fully \_\_\_\_\_.

5. Be consistently \_\_\_\_\_.

By age 3 a child should say “\_\_\_\_\_” and “\_\_\_\_\_” when speaking to an adult.

The cry on the Titanic was, “\_\_\_\_\_ and \_\_\_\_\_ first!”

6. Be totally \_\_\_\_\_ to doing the will of God.

David was probably \_\_\_\_\_ when he defeated Goliath.

7. Have an unmistakable \_\_\_\_\_ about his life.

How do you reach these 7 things?

1. Help your child become \_\_\_\_\_ in spirit.
2. Encourage your child to accept \_\_\_\_\_ of God.
